*Gaining the Best of Canadian Culture While Preserving the Islamic Identity*

June 1, 2017

### Principal's Message

*It is truly amazing that we are heading into the month of June. It does not seem that long ago that we were welcoming the children to the school in September and now we have less than one month to go.*

*It has been a very exciting spring at Regina Huda School, especially since we are now watching the construction of the new building. On behalf of the board, the teachers and the students, I want to thank all of you who have donated so generously and helped to make this dream a reality!*

*As the school year comes to an end, especially in the month of Ramadan, please continue to encourage your children to complete their homework on time and to hand it in as usual. When the days get warmer, students are tempted to forget about their homework, but we want everyone to finish the year as strongly as they started! Be sure that you are checking agendas every day, and ensuring that your children have a quiet spot in which to complete their homework.*

*Lastly, it is important that you check your calendars for the many important events that we have scheduled for June. It will be a busy month, and we look forward to seeing you at all graduations and year-end events.*

*Mrs. Nistor, Principal*

### Registration for Next Year

**If you have not yet returned your child's registration form and classroom/registration fees for next year, you need to do so immediately.** Forms and fees are past due. We still have students on the waiting list, so if you do not plan to register, we will register a new student on the waiting list.

### RHS Annual Fundraising Event

We want to extend a heartfelt "thank you" to the parents who have generously supported Regina Huda School's fundraising campaign again this year. Thanks to those generous donors, we still are in need of additional money to meet the financial goal of paying for the new expansion. It is not too late to give your donation! Donation forms are available at the office, and you may send your donation before the end of the year in order to receive the tax benefit along with it. Please don't hesitate, and give generously to ensure our students are working in a beautiful, new building soon!

Thank you to Mrs. Spock for organizing the volunteer tea on May 24<sup>th</sup>! Special

thanks to Mrs. Bylsma and her grades 1/2 and Ms. Krug and her grades 3/4 for the wonderful entertainment as well. We appreciate all our parents, and special thanks to all our parents and community members who volunteer their time and expertise!

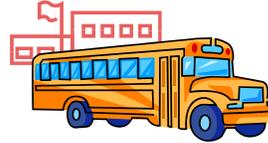

### Expansion Update

The expansion continues with the completion date scheduled for the beginning of August! It is exciting to watch a dream become a reality! Please continue to follow the expansion updates on twitter:

### RHS Bus Transportation

We are looking at continuing our bus service to include the south, east and Harbour Landing. If you live in those areas and would be interested in having your children ride the bus starting in September, please contact the school office and let us know. Our plan is to have two buses to accommodate these areas in the city.

### Student Leadership Council

May has definitely gone quickly, leaving little time to plan a number of activities. For the month of May, the SLC had 2 events which were Throwback Thursday where students could wear hats, traditional wear, Roughrider or Blue Jay clothing as well as dress in a professional that ends in 'ist'. We also had a Pizza Sale. This was our last food sale of the school year, as it is Ramadan now. We will however be having a brand new spirit day in June and details will be sent closer to the event.

Thank you for your continued cooperation and we wish everyone Ramadan Mubarak for the month!

### Tenth Annual Canadian Brain Bee Competition

Congratulations to Lubna Burki who represented Saskatchewan at the National Neuroscience Championship at McMaster University. We are very proud of you!
