Gaining the Best of Canadian Culture While Preserving the Islamic Identity

January 5, 2016

Principal's Message

I want to take this opportunity to thank you for your continued support in educating our children. We have all worked very hard the past four months, focusing our efforts on ensuring student learning within a vibrant, Islamic environment. Our students are progressing in their studies and your perseverance in checking and signing agendas, ensuring that homework is completed, having your children come to school every day on time, and working together with your child's teachers is invaluable to us. It is the process of working together as a team which enables our children to excel in their studies. Thank you!

Basketball

Basketball season is starting in January, and Regina Huda School will be entering a boys' team into the Non-Competitive league with Regina Public Schools. Boys in Gr. 7-8 will be invited to join, and games will be played against several other Regina Public School teams. This year Mr. Foreman and Ms. Mah are coaching the team, Go Hurricanes!

SLC

Every year the SLC chooses on global charity to contribute to. This year the charity chosen was the Citizens Foundation of Pakistan. This charity aims to build schools in rural Pakistan so that

underprivileged children are able to receive education. The SLC's co-presidents, Ibrahiem Essalah and Isa Haque competed to raise the most money. Collectively, the presidents raised \$631.00. Isa raised \$332.00 and Ibrahiem raised \$298.00. The co-president who raised the least amount of money was taped to the wall at the monthly assembly. The SLC looks forward to doing more charity projects!

High School Open House

Grade 7 and 8 students and their parents are invited to attend the Regina Huda High School open house at 6:30 pm on Thursday, January 28th. High school teachers will discuss the program offered at Regina Huda School, graduation and post-secondary requirements, and answer questions you have about high school.

Science Fair

Regina Huda School's annual science fair will be held on March 2nd. In January and February, Mrs. Spock and Mr. Foreman will begin working with elementary and high school students to design and carry out their projects. If you are interested in judging science fair this year, please contact Mrs. Spock at Pamela.Spock@rbe.sk.ca. We are looking forward to seeing you there!
