*Gaining the Best of Canadian Culture While Preserving the Islamic Identity*

November 1, 2016

### Principal's Message

*This year parents of elementary students will receive two elementary report cards, one on February 1, 2017, and the second on June 30, 2016. We will have two elementary conferences, one on November 25<sup>th</sup> and the second on March 31, 2017. You can access your child's progress on Parent Portal. Please speak to your child's classroom teacher for accessing Parent Portal. **There will be no elementary report card in November.** Please watch for a letter coming home with your child (elementary) in the next few weeks, letting you know what time you should come for your meeting with your child's teachers on November 25<sup>th</sup>.*

*High School students will receive their midterm report cards November 7<sup>th</sup>, with High School conferences being held on November 9<sup>th</sup>.*

*Please note that there will be no school for high school students November 9<sup>th</sup> and elementary students November 25<sup>th</sup> so everyone can attend conferences.*

*We hope that all parents make the effort to come to the school for conferences and meet with all of the teachers who work with your children.*

*Regina Huda School maintains its high standards by ensuring that students keep up with the rigorous academic program. Our school is not just about teaching Islamic manners and providing a safe environment for children. It is about high levels of learning: in Arabic, Qur'an and Islamic Studies classes as well as in Language Arts, Math, Science and Social Studies. Please, make sure that your*

*children keep their place at our school, by ensuring that they keep up with their work! If you have questions about the work that your child is studying, please contact the teacher to discuss this.*

### Qur'an Competition

The Qur'an competition is being held October 31 – November 7<sup>th</sup>. The full results will be posted on our website. We will be recognizing the students who won at an upcoming assembly.

### After-School Pick-Up

**Thank You** to the parents who have cooperated in changing how they park when picking up students by the City of Regina ball diamond near the alley!

We ask you to continue to enter the alley from Sheppard St. and **park alongside the alley**. It is safer for our students if everyone faces their vehicle west and continues to drive west to leave the alley. **Please do not turn around on the field or in the alley.**

**Please do not drive on the field and face the school with your vehicle.** We do not want to have people getting stuck in mud or snow and

wrecking the City of Regina field as they try to get out; therefore, staying parked in the alley is better for everyone.

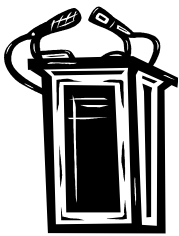

Please encourage your children to watch for your vehicle and move quickly to the vehicle to assist in making the pick-up process smooth. Thank you for your cooperation!

### **Student Leadership Council**

During the month of October MYSLC had a successful sub sale. The students made the subs and they were enjoyed by all.

October wasn't a very busy month for the SLC. We started off the month by holding the pizza sale. Thanks to everyone who ordered and we hoped you liked it. SLC also had Riders day to support the Saskatchewan Rough Riders in their football game on October 28. Pictures of Rider day are available on the SLC's Facebook page.

For November, the SLC plans to host more events, hopefully a bit more than we had in October. Be on the lookout for more details throughout the month. We look forward to your cooperation and participation.

### **Debate**

We have over sixty Regina Huda School debaters participating this year. Regina Huda School hosted the first tournament on Friday, October 28<sup>th</sup>, but due to the number of debaters and the need for more space it was at Elsie Mironuck School. We are grateful to Mrs. Anderson, Ms. Mah, Mrs. Murray and Mr. Gerrior for all their work in

organizing the event and working with our debaters. We extend our gratitude to our judges, timekeepers and moderators for all their work! Congratulations to all our debaters. We recognized the winners below during our November 1<sup>st</sup> assembly. Pictures will be posted on our website.
